SOMEBODY LOVES YOU.

Somebody loves you—loves you
Very dearly, well;
More than gold or jewels,
But you mustn't tell.

Somebody dreams about you
Pleasant dreams at night,
Dreams that do not vanish
With the morning's light.

Somebody talks about you
To you winking star,
Wishing it would answer
And tell me where you are.

Somebody sings at evening
A sweet and plaintiff lay,
In memory of some one
She loves, far, far away.

And do you not rememb-r
Some one with dark brown eyes?
Within her heart securely
The secret safely lies!

And yet in s cret silence
She breathes for you a prayer,
And asks the Holy Father,
To bless you every where.

MISERABLE FALSEHOODS.—The satanic press have b-en busily engaged in manufacturing the most miserable lies relative to Mr. Gorham and the State ticket; lies which certainly display great acumen and ability. Chief among those engaged in this honorable pastime is the Sacramento *Union*, which, having forgotten the ol traditions of dignity, truthfulness and reliability which once surrounded it, out-Herods H rod in the venom and vindictiveness of its assaults. The telegraphic reporters from this city to the *Union* and *Bee* have during the present canvass given complete evidence that the proprietors knew who to select for the performance of any (!) duty they might be called upon to carry out. The time will come, however, when those papers will be so thoroughly ashamed of the course they have pursued, that they will end-avor to ignore the fact they ever conducted *pseudo* Democratic papers during the present campaign.—*Spirit of the Times.*

THE Sacramento *Union* and the San Francisco *Bulletin* may be called the Judas Iscariot and Simon Magus of the Union Party Press. The one performed the work of the original traitor; the other acts the part of the imposter, and tries to deceive the people with its lying mummeries. Outlawed by their own ineffectual treason to the Union organization, baffled and turned back in their stealthy crawling towards the public treasury, they may be considered the Romulus and Remus of a headless party. —*Flag.*

OUR COUNTRY.—The greatest cataract in the wo ld is the Falls of Niagara.

The greatest cave in the world is the Mammoth Cave in Kentucky.

The greatest river in the world is the Mississippi, 4,100 miles in length.

The largest valley in the world is the Valley of the Mississippi, 500,000 square miles.

The greatest natural bridge in the world is that over Cedar Creek in Virginia.

The greatest mass of solid iron in the world is the Iron Mountain of Missouri—350 feet high and two miles in circuit.

The longest Railroad in the world is the Centrail Railroad of Illinois—370 miles long, and which cost $15,000,000.

The largest acqueduct in the world is the Croton, in New York, which is 40½ miles long, and cost $12,500,000.

THE COUNTRYMAN'S ANSWER.—A great and learned atheist once met a plain countryman going to church. He asked him:

"Where are you going?"

"To church, sir."

"What to do there?"

"To worship God."

"Pray, is your God a great or a little God?"

"He is both sir. He is so great sir, that the Heaven of Heavens cannot contain Him and so little that He can dwell in my poor heart."

The atheist declared that this simple answer of the countryman had more effect upon his mind than all the volumes the learned doctors had written upon the subject.

WHEN a lady once asked Turner, the celebrated English painter, what his secret was, he replied: "I have no secret, Madam but hard work. This is a secret that many never learn and don't succeed because they don't learn it. Labor is a genius that changes the world from ugliness to beauty, and the great curse to a great blessing."

"Where's my wife?" inquired our friend Nil, on returning home early one evening, and missing his better half. "She's gone to bed with a toothache," was the reply of some member of the family. "Well," said the indignant Nil, "if she had rather go to bed with me let her go" and he settled himself to the perusal of the latest war news.

OLD FATTY says: I go in for a tax on waterfalls, and am willing to allow chignons a representation in Congress on the basis of population. Finally, I am in favor of allowing the negro to vote in the South—it is the only way to make treason *odorous.*"

HOW TRUE!—That a man's greatnes is not appreciated who walks far in advance of his age! he dwarfs himself in the eye of the people by the distance he is in advance of them.

A MAN in Paris is creating a great noise by playing on seven drums at once.

THE UNION PLATFORM.

The Union Party of the State of California, in Convention assembled, hereby present to the people of this State their platform and declaration of party principles:

Resolved, That in the present, as in the past, we are irreconcilably opposed to treason and to traitors, whether the same shall attempt to subvert our Union and control our Government by fraud and treachery from within, or force from without; and that upon the loyalty of the Nation, tried and proven, we rely to re-establish firmly and forever the bonds of our National Union.

Resolved, that in reconstructing the nation its foundations should be justice and its architects loyalty, and we are willing that those so active to destroy, should be the chosen and preferred builders to erect it, and until it shall appear that in the States lately in rebellion loyal Committees exist capable and ready to administer justice and enforce law in accordance with the principles of a government of freemen and equality, it is our wish that the Government be administered and the law enforced by the loyal agents o the Federal Government.

Resolved, That in the reconstruction plan of the late Congress we recognize a policy as wise as it is magnanimous, and when the respective States late in rebellion shall bring themselves within its provisions, we will welcome them as sisters and receive them as equals in a reconstruction Union.

Resolved, That we deem the passage by the Legislature of a law establishing eight hours labor as a legal day's work, eminently just and proper.

Resolved, That the importation of Chinese or any other people of the Mongolian race into the Pacific States or Territories, is in every respect injurious and deg ading to American labor, by forcing it into unjust and ruinous competition, and an evil that should be restricted by legislation and abated by such legal and constitutional means as are in our power.

Resolved, That the future primary elections of the Union party in this State should be held under the provisions of the primary election law, and that such test should be prescribed and enforced as shall exclude all persons not members of the Union party.

Resolved, That we fully approve the amendment to the Constitution of the State, presented by the Legislature of 1866, and providing that the Legislature shall have no power to make an appropriation of money for any purpose whatever, for a period longer than two years; that the same should be accepted by the Legislature, adopted by the people and become part of the Constitution of the State.

RESOLUTIONS

Adopted by the Union County Convention which met at Auburn, Placer county, on the 10th and 11th June, 1867:

Resolved, That it is the duty of the loyal men in the United States, through their representatives in Congress, to take under their control the government of the late rebel States, until such time as a sufficient number of the friends of the Union can be found therein to organize governments; and that then the future control of said States should be left in the hands of their loyal citizens to the exclusion of the leaders of the late rebellion and of those who voluntarily gave them aid in the field.

Resolved, That we approve of the late Act of Congress for the reconstruction of the rebel States, and earnestly hope that at the coming session the large landed estates of the gentry who gave their personal influence and donated their means to destroy the Government, will be confiscated and divided up into small tracts and donated as homesteads to the soldiers who fought our battles, saved the Union and preserved our freedom.

Resolved, That the vital issue between the Union and Democratic parties is that of loyalty to the constitutional Government of the United States as opposed to disloyalty thereto; that the loyalty of the Union party has been abundantly manifested in the constant support of the Government in all its branches, while the disloyalty of the present Democratic party is as clearly manifest in the aid and comfort which during the late war it continually afforded to the public enemy, and in the sympathy which it still extends in favor of every movement tending to paralyze the efforts of Congress toward the healthy reconstruction of the Federal Union.

Resolved, That the Union party of the United States is the only party in favor of the Union, the Constitution and the laws, and that the pretensions set forth by the Democratic party in this regard are false and hollow, unfounded in fact, and disproved by history.

Resolved, That the mission of the Union party is not and can never be accomplished until the opposing party thereto be entirely purged of its disloyal elements and eschewing its present heresies, shall in good faith determine to accept the great results of the late war, and thenceforth to take issue only upon questions upon which adverse opinions may be holden or put in practice without jeopardizing the continuance of republican government upon this continent. Until then it is our imperative duty to stand by our colors in the full knowledge that with us is union and liberty—against us only disunion and disgrace.

Resolved, That in the present condition of our State finances, we are opposed to any donation in money or bonds or any loan of the credit of the State to railroads or other corporations, and that our candidates for Senator and Representatives if elected, are hereby instructed to oppose by their votes and personal influence the enactment of any laws having any such object in view.

"WHAT WE EXPECT TO ACCOMPLISH."

Under this head the Sacramento Union says:

"First, we expect to show the Union people of this State that they have been treated with contempt by their delegates and that Bidwell was shamefully sold out to Gorham and the craven office-seekers and grasping corporations."

You have assumed this ever since the 17th of June, but could not find the proof. Simply because it does not exist. It never was true that the earnest working men of the Union party preferred Bidwell to Gorham. A few papers and many people had a sort of negative and sleepy notion that other folks wanted the wealthy sage of Chico, that was all. Many of the delegates to the State Convention soon found that he was a solemn owl and no leader of earnest men, and they dropped him. It has been becoming more and more apparent ever since that we had a happy escape in passing by him. If there were not as many office-seekers in favor of Bidwell as any other man, it was only because they knew he would not do to tie to.

"Next, we expect to bring about a reform in the manner of managing State Conventions, so that they will not hereafter put in nomination for the first offices of the State the worst and weakest instead of the best and strongest men of the party."

What hight of ears! The strongest men, never reveal their strength till the hour of voting comes. They work, get friends to work, concentrate and strike when the iron is hot. The man whose fame is blown on every wind never gets nominated. Clay did not, Webster did not nor Seward. Only fools expect to see such men nominated. They never are, and never ought to be, and never will be. Newspapers cannot blow men into office, nor can they unmake human nature and persuade men to lose all their chances of a nomination by being so popular as to make others combine against them. This talk of trickery and fraud and reforming it, is perfectly absurd bosh. No State Convention of a majority party in California was fairer or more straight-forward than that of June 17, 1867. To kill a party may be a good way to save it, but Union voters don't see it.

OMINOUS.—A dispatch from San Francisco says: On Thursday evening twenty-five persons were at a saloon at the Mission called "Gorham's headquarters," when a vote for Governor was taken which resulted Gorham 2, Haight 3 and Bidwell 20.—*Chico Courrant.*

That is one of the humbugs of the season. Were it the truth it would prove nothing, save, perhaps, Gorham's enemies congregated there for the purpose of taking a vote. Should Bidwell remain in the field we will unwillingly give him twenty-five votes in Placer, and the same number in Nevada, with an assurance of his political funeral immediately afterwards.

WITH REASON.—The Placer Herald is alarmed at the prospect of a united Union Party. It loudly laments the return of the disaffected to the true fold, but it still has hopes that some will stand by Bidwell. It flatters its allies to keep them up to their ruinous work in the following brave words:

"But there remains an element that cannot be bought, men not made of merchantable stuff. Many of the old line Republicans see that the men who broke up the Democratic party have captured theirs, and they don't feel willing to take back seats at their own funeral. Bravely and manfully are they going to stand out for Bidwell."

We congratulate our wandering brothers on their new friends and very able organ.

LETTER FROM IOWA HILL.

IOWA HILL, July 29, 1867.

EDITOR ENQUIRER:—We see nothing in your paper respecting the mines in this direction now-a-days, particularly about Roach Hill, which I think is worthy of notice about this time, as they are in quite a flourishing condition, yielding forth the precious ore as plentifully as any section of the State. 'Tis true the water has failed so that no more hydraulic mining can be done this season, but the drift mines are steadily at work. A visit through some of them a few days since apprised me of the amount of work being done as well as the amount of gold being taken out. The old Pacific Company is running through the richest of ground, the waste dirt paying all expenses. Thro' the Columbus company's ground, we saw gold very plenty in the cement. The foreman told us that he was about selling the claim to San Francisco capitalists, who expected to have a twenty stamp mill in running order in sixty days. The Shelby and Pen Beartry company are beating away with gratifying results. The Mohawk company keep a part of their men driving the main tunnel ahead, while the rest are taking out pay dirt which is exceedingly rich, finding many very pretty nuggets. The Root Hog or Die company have suspended operations for the present as the foreman has lately been called to Superintend some heavy work on the Railroad. As soon as the company get into the main divide, large results may be expected. I did not visit the Manoduock Co's. works, but am told that they were idle for want of water to drive their machinery; doubtless they will resume operations again in the rainy season. There is considerable individual mining the particulars of which I did not learn. In politics the miners on Roach Hill are very little interested; their whole attention being giving to mining. Robert Smiley who was badly hurt by a premature blast about six weeks since is so as to be about the house, but will loose his left eye and be somewhat scarred, though not powder-stained, for the blast was loaded with gun cotton. Yours &c. EYES.

A BEAUTIFUL STATE OF AFFAIRS.—Some time since our County Clerk, Mr. Spear, sent a portion of the "Great Register" up to the ENQUIRER office at Dutch Flat to be printed, from the letters A to D.' Mr. Spear informs one of our citizens that the proof sheets have never been compared, and he don't believe Boust will have one-half of the names right. This is a very fair confession, but it goes to show the people it is time there was a change. Spear has compelled Boust to go to Sacramento and try and get the list printed correctly and in time.—Placer Herald.

The above assertion is a lie coined from whole cloth; and we believe Mitchell had good reason to believe it when he wrote the above. The Great Register was printed at our office, and the names are in exact accordance with the copy. It is annoying to have a botch criticise an expert. Confine yourself, if possible, Mr. Herald, to the truth. Any one can examine the manuscript until the 4th instant, and see whether you confine yourself to the truth or deliberately lied.

THE TERRIBLE CALAMITY IN SHASTA COUNTY.—The Courier of July 27th gives particulars in regard to a late sad occurrence in that county:

A terrible and shocking calamity occured at Shingletown, in this county on the morning of the 22d inst. F. W. Hudson, with his family, consisting of a wife and four children, lately removed from Parkville to Shingletown, where he opened a blacksmith shop. The family occupied a house in the village, and on Sunday night Hudson was temporily absent attending to some business mattets in another neighborhood. Toward morning several teamsters, cucamped close by, were awakened by an unusual noise, and looking around saw Hudson's house wrapped in flames. Hurrying to the scene of conflagration, they found that the family had been surprised by the devouring element and had been awakened too late to escape by any of the ordinary outlets. The screams and moans issuing from the building indicated the agony and suffering of the unfortunate inmates, and although the house was crumbling to pieces an aperture was made in the side through which Mrs. Hudson and one child were taken out, horrible burnt, but still alive. The other three children, the oldest of whom was eleven years of age, were already burnt to death, and after the fire naught remained of them but a few charred and blackened bones. Every possible effort was made to relieve the sufferings of Mrs. Hudson and her child, but all proved unavailing, and both expired on Monday evening. This is the saddest and most terrible calamity ever recorded in this county. We have not learned how the fire originated.

Perry Davis' Vegetable Pain Killer, after a thorough trial, by innumerable living witnesses, has proved itself THE MEDICINE OF THE AGE. Although there has been many medicinal preparations brought before the public since the first introduction of Perry Davis' Vegetable Pain Killer, and large amounts expended in their introduction, the Pain Killer has continued to steadily advance in the estimation of the world as the best Family Medicine ever introduced. It is an internal and external remedy. One positive proof of its efficacy is, that the sales have constantly increased and wholly upon its own merits. The effect of the Pain Killer upon the patient, when taken internally in cases of Cold, Cough, Bowel Complaints, Cholera, Dysentery, and other affections of the system, has been truly wonderful, and has won for it a name among medical preparations that can never be forgotten. Its success in removing pain, as an external remedy, in cases of Burns, Bruises, Sores, Sprains, Cuts, Sting of Insects, and other causes of suffering, has secured for it such a host of testimony, as an almost infallible remedy, that it will be handed down to posterity as one of the greatest medical discoveries of the nineteenth century.

SEMI-WEEKLY ENQUIRER.

GORHAM COMING.

We announce, with pleasure, to the citizens of this vicinity, the coming of the Union candidate for Governor, to address the people on T ursday evening in front of the Dutch Flat Hotel. Such as are not able to go to Auburn on Wednesday evening will have an opportunity to see and hear the young Chief. No man in the State has been so foully belied. The abuse of public men is common enough, but it rarely happens that any newspaper gets such a vantage ground for attack as the Sacramento Union has hitherto had. But its power for evil is fast flowing away. It has overdone the work. No zeal for the public good or any other pretense can longer cover the fell purpose to throw this State into the hands of the rebels. And it has now become plain that this is the purpose of that sheet. The people of this place can decide for themselves whether their candidate for Governor looks like a thief, or talks like one. He does not come to defend himself, but the cause of justice and humanity. No man with a grain of fairness, believes slander or calumny without proof. None has been offered to sustain any of the charges so freely hurled against the champion of right. Mr. Gorham has thought much on all the questions now at issue between the political parties of the Nation and State. But he has written much and talked little. He is not an orator, trained or tried on many a platform or stump. He may lack the graces of elocution but not the power of speech. He can write like a book, how well he can talk we shall soon see. In spite of all the lies told of him, we know him to be as true and honest and able a man as ever aspired to the place he will fill if he lives till next January, namely the Chair of State as Governor of this Commonwealth. Virtue and valor have always been persecuted, but at last have triumphed. So will Gorham.

IN EXTREMIS.—The Bulletin and Union have gone daft. They see that Gorham is to be next Governor of California, and the sight freezes their blood. They have gone from frenzy to dementia. As they see the Union masses closing up, in spite of all their efforts to drive and scatter them, they writhe and twist, groan and howl and spit their venom and pour out the pure poison of their inmost natures. Their comments on the report of Gorham's speech in Stockton are worthy of preservation as premium specimens of the blackest malignity of the satanic press. Because the speaker said that the Supreme Court has settled the tide land question, they construe that into a confession that he lobbied for the tide land bill, favored it, and will hereafter favor and sign any similar bill at the first opportunity. We are glad to see these exhibitions of the real animus of these depraved sheets for two reasons. It shows clearly that they regard their cause as desperate in the extreme, and besides, the few remaining people whom they have deluded will be driven from them by such utter baseness.

No honest man, with a grain of sense, can fail to see that the flimsy veil of pretended purity and horror of fraud, by which they have attempted to cover their designs hitherto, are now torn off, and the naked purpose to defeat the Union ticket at all hazards is fully revealed. They are now more malignant than the Examiner, and as fully in the ranks of the enemy. They prefer Haight to Gorham, simply because they cannot comprehend an honest independent man, and as far as they do, they hate him. Being thoroughly depraved, they have no sympathy with virtue. Devout worshipers of mammon, they dispise the sons of light. They may cry great is Diana, and great is Mammon, and throw all the dust and mud they can, but the destinies are against them and they will be ground to powder.

THE DIFFERENCE.—The difference between party papers and professed independent journals is this: Party papers have a noble end to accomplish through combination and organization. They have principles and purposes to be accomplished by common agreement, to do this certain forms and usages are necessary to give voice to the wishes of the majority. When this is done the minority submit, acquiesce and work cheerfully though they may not be entirely suited by the nominations made: Independent papers have different ends, the chief of which is to make money. They do not care for the success of any particular political principles. Or if they do, are not willing to abide by the usages of the Party which holds them: Or in other words they will not use the only available means for securing an end. They are ready always to sacrifice principle, party, success and all good to their own pockets or crotchets. Just now the Independent press of this State is doing its best to ruin the Union party, and it becomes the special duty of Union men to repudiate and rebuke them.

THE RECORD.—This lively little daily falls at the doors of a large number of our citizens about dusk every evening and is gaining favor continually. It commends itself the more because it is the only Union paper now issued in Sacramento. It is a good antidote for the Confederate poison of the Union and Bee. It thinks Union men should vote the Union ticket.

It prevents the hair turning gray and falling off.
It restores the hair upon prematurely bald heads.
This is just what Lyon's Kathairon will do. It is pretty—it is cheap—durable. It is literally sold by the car-load and yet its almost incredible demand is daily increasing, and there is hardly a country store that does not keep it, or a family that does not use it.

Cuts, bruises, sprains and swellings are so common and certain to occur in every family, that a bottle of this Liniment is the best investment that can be made.
It is more certain than the doctor—it saves time in sending for the doctor—it is cheaper than the doctor, and should never be dispensed with.
"In lifting the kettle from the fire, it tipped and scalded me terribly. * * The Mustang Liniment extracted the pain and caused the sore to heal rapidly, and left very little scar.
CHAS. FOSTER, 420 Broad str., Phil.

THIS CELEBRATED INSTITUTE has enjoyed on this coast an uninterrupted success of fourteen years, and has become one of the renowned Hospitals of the age. What the celebrated Lock Hospital is to London, and the no less renowned establishment of Ricord is to Paris, this Institute has become to the Pacific coast. The thousands annually received and cured place it in point of number of patients among the very first of the world and the success of its treatment ranks it second to none.

PRIVATE DISEASES IN MALES and IRREGULARITIES IN FEMALES are the great destroyers of health. They insidiously attack the system and gradually undermine and destroy it; they drive the bloom from the cheek, the lustre from the eye, the strength from the frame; they give to the world puny and diseased offspring, and poison, through successive generations the race of man. The marks can be seen in Scrofula, Consumption, Cripples, the Idiotic, the Paralytic, the Insane, etc.

There is no more terrible scourge to the human race than these diseases arising from the contamination of Venereal Poison. The mildest forms, by retreating to the blood, hold over the afflicted one, the destruction that is liable at any moment to fall and blight—to utterly destroy—all earthly hopes.

MERCURY, recognized as the most fatal medical enemy to man, combining with the Venereal, doubles its dangers. Those who have been treated with that pernicious mineral poison are not cured; the disease has only assumed a new form.

Do not be satisfied with partial cures

that leave the poison to crawl through the system, eating its way into the tissues and organs beneath the apparently smooth surface, to burst out in the future with a virulence that will baffle the effects of medicine. WHEN PERFECT CURES can be obtained by consulting a physician whom long practice and thorough investigation into the causes of DISEASES of the URINARY ORGANS enables to determine at once the nature of the disease.

I shall cases entrusted to the Doctor's care, PERFECT, SPEEDY and PERMANENT,

Cures are Always Guaranteed.

Seminal Weakness or Spermatorrhœa

The young man who experiences that growing weakness in his muscular and mental organization should stop to consider whence it arises. He will find in the weakness of the back, trembling of the limbs, disordered digestion, unaccountable failing of the powers of the mind, distaste for society, dread of impending trouble, forebodings of evil, sleeplessness, troubled and lascivious dreams, accompanied by growing dearness, loss of muscular power, and numerous other symptoms of disorganization, the positive traces of that most terrible and destructive of all diseases Seminal Weakness—wasting away the powers, destroying his hope of life and manhood, and dragging him along the broken path of his existence towards a premature and loathsome grave. To him who finds his life dribbling out in the discharge of the vital principle of existence in nocturnal and diurnal emissions, the mere cessation of its appearance brings no assurance of relief.

Marriage, that holy office, the safeguard and hope of manhood, brings to such an one no hope of cure, but adds to his misery in the knowledge that he one, who looks to him for so much of her happiness, is a victim to his evil, and an innocent companion of his punishment. He adds to his misery and disorder until hope leaves him. There is no rescue except in proper and skilful treatment. Consult then, at once, a physician whom long practice and careful research has made thoroughly conversant with every phase of the disease. Those who have become the victims of solitary vices, that dreadful, fascinating and destructive habit, which fills thousands of sick-rooms with paralytics and consumptives, and hundreds of untimely graves with its misguided victims, should consult, without a moment's delay, one who will sympathize with their sufferings. To such the Doctor would especially address himself, giving to each and all assurance of a PERFECT and PERMANENT CURE, without hindrance to business, change of diet, or fear of exposure.

Do not forget the address. See below.

Importants to Females.

When a female is in trouble or afflicted with disease and requires medical or surgical assistance, the enquiry should be, Where is there a physician who is fully competent to administer relief, and whose respectable standing in society recommends him to the confidence of the community? The Doctor understanding how imperatively necessary these requirements are, feels called upon to interpose, and beg the attention of the afflicted to the fact that he has been a Professor of Obstetrics and Female Diseases for twenty years, and is fully qualified to administer in all cases, both medically and surgically, not in a superficial manner, but in as thorough a manner as years of study and practice—both in hospital and private families—can make, to save them from the hands of the unqualified, unscrupulous and designing. Therefore families can rely upon him as upon a father. All in affliction can find in him one who will feel and sympathize with and befriend them in trouble—one in whose secrecy the utmost confidence can be placed. Consultation by letter or otherwise, FREE. See address below.

THE CELEBRATED FEMALE REMEDIES, compounded from the private prescription of Dr. Young, have now obtained a most extended popularity, and are correctly viewed to be the safest and surest remedies for the complaints for which they are applied. The constantly accruing testimonials of their efficacy declare them to be pre-eminently superior in their action. No lady should be without these Renovating Agents. None genuine unless procured at this office.

PRIVATE MEDICAL AID.

QUICK CURES AND MODERATE CHARGES.

DR. W. K. DOHERTY'S
Private Medical and Surgical Institute

Sacramento Street, below Montgomery, opposite the Pacific Mail Steamship Company's Office. Private entrance on Leidesdorff street, San Francisco.

Established expressly to afford the afflicted sound and scientific medical aid in the treatment and cure of all Private and Chronic Diseases, cases of Secrecy and all Sexual Disorders.

TO THE AFFLICTED.

DR. W. K. DOHERTY returns his sincere thanks to his numerous patients for their patronage, and would take this opportunity to remind them that he continues to consult at his Institute for the cure of chronic diseases of the Lungs, Liver, Kidneys, Digestive and Genito-Urinary Organs, and all private diseases, viz: Syphilis in all its forms and stages, Seminal Weakness, and all the horrid consequences of self-abuse, Gonorrhœa, Gleet, Strictures, Nocturnal and Diurnal emissions, Sexual Disability, Diseases of the Back and Loins, Inflammation of the Bladder and Kidneys, etc., etc., and he hopes that his long experience and successful practice will continue to ensure him a share of public patronage. By the practice of many years in Europe and the United States, he is enabled to apply the most efficient and successful remedies against diseases of all kinds. He uses no mercury, charges moderate, treats his patients in a correct and honorable way, and has references from men of known respectability and high standing in society. All parties consulting him by letter or otherwise, will receive the best and gentlest treatment, and implicit secrecy.

DR. DOHERTY would call attention to the following certificates from two of his patients, who, having fully recovered their health, desire to make known their remedial agent. It will be seen their statements are fully authenticated by a Notary Public.

The welfare of society imperiously demand their publicity and they are given more to warn the unwary than to sound the praise of a Physician, of whom hundreds of like cases can be cited, during a practice of more than fifteen years.

DR. DOHERTY—Dear Sir: I feel my health so fully restored, that in common gratitude, I believe I should make you some written acknowledgement for your valuable services—particularly as your fee was small for the work performed.

I arrived in this city from the East about one year ago, and was then suffering from an old case of Gleet, complicated with Stricture. Being a stranger in this city, and believing those Doctors who gave such positive assurances of success were necessarily the best, (some of whom have a large number of titles,) I placed myself in their charge and continued under their treatment until I had lost nearly all hope and a considerable sum of money.

I wish to say now that you are the sixth Doctor I have employed, and the only one that has ever done me any service. My Gleet is wholly cured, the Stricture is all removed, and my general health is better than it has been for years.

In conclusion, I would say to the many unfortunates who require medical advice, if you have any doubt as to whom you may employ, ask Dr. Doherty for my address and call and see me. (I keep store in this city.) My experience may save you many dollars.

I would also add that in the early stage of my disease, I used a large amount of the preparations advertised as an infallible cure for Gonorrhœ, Gleet, etc., but never derived any benefit from them.

I am, Doctor, very truly yours,
L—— H——.

San Francisco, June 16, 1864.

Subscribed and sworn to before me, this 21st day of June, A. D. 1864.

[L. S.] A. S. GOULD, Notary Public.

Seminal Weakness—A Sworn-to Certificate of a most Remarkable Cure of Spermatorrhœa.

A desire to benefit humanity, and a feeling of gratitude to Dr. W. K. Doherty, alone induces me to make this statement. For many years I have been afflicted with that fearful disease known as "Spermatorrhœa," or Seminal Weakness, the result of self-abuse, but till 1855 experienced but little trouble or inconvenience. In that year however, I had Seminal Weakness to an alarming extent, which was soon followed by the most alarming symptoms as weakness of the back and limbs, pain in the head, dimness of vision, nervousness and general debility. My mind, too, was afflicted to such an extent as to seriously impair my memory; my ideas were confused and spirits depressed. I was averse to society, had evil forebodings and self-distrust, and was entirely unfitted for any of the duties of life. From 1855 to the summer of 1863, I employed the very best medical talent I could find, and spent several hundred dollars, but in no instance obtained more than temporary relief. I had about concluded there was no relief for me in this world, but seeing Dr. Doherty's advertisement, I thought I would call and see him, as he charged nothing for consultation. I had an interview with Dr. Doherty at his office, in Sacramento street, and his fee for treatment was so reasonable, I determined to try him, though I did not expect much benefit from his treatment. On the 5th of December last I placed myself under his care; in one week I found myself very much improved, and, now, after five weeks' treatment, I feel myself thoroughly cured of all my troubles and in the enjoyment of the best health. Hoping that my experience may be of benefit to others similarly afflicted, I subscribe myself JAMES JOHNSTON.

Subscribed and sworn to before me, this 15th day of January, A. D. 1864.

[L. S.] A. G. RANDALL, Notary Public.

To Females.

When a female is in trouble, or afflicted with diseases as weakness of the back and limbs, pain in the head, dimness of sight, loss of muscular power, palpitation of the heart, irritability, nervousness, extreme urinary difficulties, derangement of digestive functions, general debility, vaginitis, all diseases of the womb, hysteria, sterility, and all other diseases peculiar to females, they should go or write once to the celebrated female doctor, W. K. Doherty, at his Medical Institute, and consult him about their troubles and disease. The Doctor is effecting more cures than any other physician in the State of California. Let no false delicacy prevent you, but apply immediately and save yourself from painful sufferings and premature death. All Married Ladies whose delicate health or other circumstances prevent an increase in their families should write or call at Dr. W. K. Doherty's Medical Institute, and they will receive every possible relief and help. The Doctor's offices are so arranged that he can be consulted without fear of observation

To Correspondents.

Patients residing in any part of the State, however distant, who may desire the opinion and advice of Dr. Doherty on their respective cases, and who think proper to submit a written statement of such, in preference to holding a personal interview, are respectfully assured that their communications will be held most sacred. Dr. Doherty takes this opportunity of observing, that all letters are only opened and replied to by himself, and the latter as promptly as possible.

If the case be fully and candidly described, personal communication will be superseded; as instructions for diet, regimen, and the general treatment of the case (including the remedies), will be forwarded without delay, and in such a manner as to convey no purport of the letter or parcel so transmitted. ☞ Consultation at the office FREE. MEDICAL ADVICE.—DR. WM. K. DOHERTY'S Medical and Surgical Institute is becoming a sine qua non to the welfare of our State and health of our citizens; and his rapidly spreading reputation, although it may excite surprise, is but the signal of skill, and follows as the natural result of such a cause. We are personally acquainted with gentlemen who had suffered for years under chronic diseases, and who had taken advantage of every available means that promised relief, but without success, until they called upon Dr. Doherty, who, in an incredibly short space of time, has given them entire relief. It is gratifying to announce this fact, because the Dr. is a gentleman who seeks, not by defamation of others, to establish his reputation or ruin of another's name. The Doctor conducts his own institute in such a manner must be gratifying to all his patients. He examines, advises, and recommends without charge, and the patient, after hearing his terms for treatment, can accept or reject at pleasure. In no case does the Doctor make a charge unless he effects a cure. This he is able to do, because he feels the confidence which long experience has given, and no doubt the consolation which appertain to that confidence. Persons afflicted with either acute or chronic disease, would do well to consult the Doctor; at all events, it can do no harm, as for consultation he asks no fee; nor does he insist on obedience to his advice unless the patient places himself under his care. His offices are on Sacramento street, opposite the Pacific Mail Steamship office.—News

SPECIAL MEDICAL NOTICE.—DR. CHAS. H. TOZER would most respectfully inform the sick and afflicted that his MEDICAL INSTITUTE is at the same place, corner of Kearny and Jackson streets, San Francisco, where he has been established for many years, for the cure of special complaints. Having relinquished my old modes of advertising, which has become so common with all the Quack Doctors of San Francisco, filling up the newspapers with false references, for the purpose of imposing upon strangers. I think it is only necessary to inform those in need of a Physician of long experience and successful practice, that I can be consulted at all business hours, at my Medical Institute, corner of Kearny and Jackson streets, San Francisco.

Ladies suffering from the Whites, Piles, Weakness of the Back, Pain in the Side, Headache, Palpitation of the Heart, Derangement of their Monthly Sickness, and all other diseases that the Female System is subject to, will find prompt relief by applying to DR. TOZER.

My Female Monthly Pills were never known to fail in giving relief in those cases for which they are recommended. To be obtained only at my office. Price $5 00 with full directions on each Box. Sent by mail or express.

Address CHAS H. TOZER, M. D., San Francisco, Cal., or Lock Box, 1884. Consultation Free. ☞ All communications strictly confidential.

MEDICAL.

FRENCH MEDICAL OFFICE.

DR. JULIEN PERRAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Baptiste Society of San Francisco.

DR. PERRAULT has pleasure to inform patients, and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, North-East corner Montgomery and Sacramento streets, San Francisco. Rooms No. 9, 10, 11, first floor, up stairs entrance either Montgomery or Sacramento streets.

DR. PERRAULT'S studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the concomitants of old age. Where a secret infirmity exists involving the happiness of a life and that of others, reason and morality dictate the necessity of its removal, for it is a fact that premature decline of the vigor of manhood, matrimonial unhappiness, compulsory single life, etc., have their sources in causes, the germ of which is planted in early life, and the bitter fruit tasted long afterward; patients, laboring under this complaint, will complain of one or more of the following symptoms: Nocturnal Emissions, Pains in the Back and Head, Weakness of Memory and Sight, Discharge from the Urethra on going to stool or making water, the Intellectual Faculties are Weakened, Loss of Memory ensues, Ideas are clouded and there is a disinclination to attend to business, or even to reading, writing or the society of friends, etc. The patient will probably complain of Dizziness, Vertigo, and that Sight and Hearing are Weakened and sleep disturbed by dreams, melancholy, sighing, palpitations, faintings, coughs and slow fever; while some have external rheumatic pain, and numbness of the body. Some of the most common symptoms are pimples in the face and aching in different parts of the body. Patients suffering from this disease, should apply immediately to DR. PERRAULT, either in person or by letter as he will guarantee a cure of Seminal Emissions and Impotence in six to eight weeks.

Patients suffering from venereal diseases in any stage Gonorrhœa, Gleet, Strictures, Bubo Ulcers, Cutaneous Eruptions, etc., will be treated successfully. All Syphilitic and Mercurial Taints entirely removed from the system.

DR. PERRAULT'S diplomas are in his office, where patients can see for themselves that they are under the care of a regularly educated practitioner. The best references given if required.

Patients suffering under caronic diseases, can call and examine for themselves. We invite investigation; claim not to know everything, nor to cure everybody, but we do claim that in all cases taken under treatment we fulfil our promises. We particularly request those who have tried this boasted doctor, and that advertised physician, till worn out and discouraged, to call upon us.

Low charges and quick cures.

Ladies suffering from any complaint incidental to their sex, can consult the doctor, with the assurance of relief.

Female Monthly Pills.

DR. PERRAULT is the only agent in California for DR. BIOT'S Female Monthly Pills. Their immense sale has established their reputation as a female remedy, unapproached, and far in advance of every other remedy for suppressions and irregularities, and other obstructions in females. On the receipt of five dollars, these Pills will be sent by mail or express to any part of the world, secure from curiosity or damage.

Persons at a distance can be cured at home, by addressing a letter to Dr. PERRAULT, corner of Sacramento and Montgomery streets, Rooms, 10 and 11, or Box 978, P. O., San Francisco, stating the case as minutely as possible, general habits of living, occupation, etc., etc.

MEDICAL.

DR. CHAS. H. TOZER'S
PRIVATE MEDICAL INSTITUTE,

N. E. Corner of Kearny and Jackson Streets,
SAN FRANCISCO.

The Great Eradicator of Special complaints, formerly of Locke Hospital, London, Eight Years in Sacramento, and the last Four Years in San Francisco.

DR. TOZER'S

Experience is of forty years standing, and during that time he has met with unparalleled success in the treatment of all those diseases generally known as Venereal or Chronic.

It is impossible here to mention all the diseases with which he is familiar; some, perhaps, will not be out of place. The most formidable, the most destructive to mankind is Self-Abuse. The brain being the seat of the disease, the whole system suffers in consequence. I will here enumerate some of the symptoms, so that those afflicted may be able to form an opinion in regard to their complaints and seek advice in time, thereby saving themselves a world of suffering: Nervous Debility, Loss of Memory, Pain in the Limbs and Back, Palpitation of the Heart, Trembling of the limbs, Headache and aversion to general society, especially that of females. There are a great many more, but these are sufficient, and should you be suffering from any of them, call on DR. TOZER, and he will cure you in a short time, without any interruption to your business—or state your case by letter, and there will be no occasion for your calling at the office.

Stricture of the Urethra

Is another formidable enemy to health. Send for one of my circulars on that disease, and inform yourself of its terrible results. The worst cases cured in a few days.

Venereal Diseases,

In all their various forms, either Primary, Secondary or Hereditary, completely eradicated from the system. Your constitution being restored to perfect health, there will be no danger of handing down to your children that terrible disease known as Scrofula.

Syphilitic Disease,

As it presents itself on this coast, is of a more formidable character than that seen in the Atlantic States or Europe, arising from the fact of its being a compound of Spanish, Chinese and Sandwich Island disease. Those of you who have visited the two countries no doubt have seen the dreadful effects of it on the native and foreign population. It requires altogether different modes of treatment.

The Old Formulas

Of Ricord, Actonand Bostwick, are of little account, except to dry up the disease on the surface, leaving the poison in the blood, which, sooner or later, will show itself as a secondary disease in an aggravated form. These facts I have learned by experience, and think I can say without boasting, that I have seen more practice in these diseases than any other physician in San Francisco, dating, as it does, from 1849. It becomes you, therefore, to think well before you employ a physician. Who is the proper one to consult? An old experienced one, or one who has recently settled among you?

My plan is purely vegetable, destroying the disease and purifying the blood so that there is no danger of secondary symptoms.

Rheumatism, Neuralgia,

And diseases arising from the use of Mercury, such as pains in the skin bones, swellings of the different joints of the body, running sores, etc., and impurities of the blood, cured in a short time by the use of my VEGETABLE MIXTURES, known only to myself.

Seminal Weakness.

Should you be afflicted with any of the following symptoms, such as weakness of the Back and Limbs, Pain in the Head, Dimness of Vision, Nervousness and General Debility, Loss of Memory, Confusion of Ideas, and Depression of Spirits, Evil Forebodings, Self-distrust, and an aversion to society, consult DR. TOZER at once, and he will restore you to perfect health.

To Females.

When you are afflicted with Weakness of the Back and Limbs, Head, Loss of Muscular Power, Palpitation of the Heart, Irritability, Nervousness, Extreme Urinary Difficulties, Derangement of the Monthly Sickness, Sterility, and other diseases peculiar to females, consult DR. TOZER, and you will receive particular attention. Let no false delicacy prevent you, but apply at once, and save yourself from painful suffering and premature death.

My rooms are so arranged that there is no danger of exposure, and of meeting any one save the Doctor. My FEMALE MONTHLY PILES were never known to fail in giving relief in those cases for which they are recommended. To be obtained only at my office.

Price, FIVE DOLLARS—with full directions on each Box. Sent by Mail or Express.

To Correspondents.

Patients of either sex, residing in any part of the country, however distant, who may desire the opinion and advice of DR. TOZER, can, by submitting a written statement of their case to the Doctor, receive all the attention and medicines necessary to effect a cure without the necessity of a personal interview.

All letters strictly confidential, opened and replied to by the Doctor himself.

Consultation at the office or by letter, FREE.

Cures in all cases guaranteed

Office hours from 9 A. M., to 9 P. M.

A Grateful Acknowledgement to Skillful Gentlemen.

SAN FRANCISCO, June 1, 1863.

Dr. Chas. H. Tozer:—Dear Sir: You will excuse me for not writing to you sooner. You will please remember me as the individual who called on you for assistance about a year ago. The roof of my mouth had completely rotted out, and my palate dropped, and there remained, stopping up the passage so that I could hardly eat. You remember you cut it out at once, which relieved me immediately, and I was enabled to swallow my food, and in a short time began to improve. I took your medicine, and followed your directions for several months. You finally succeeded in stopping the disease, saving my nose and upper lip, though you frequently cautioned me about losing it. I continued to improve until you finally recommended me to go into the country, and before going, by your advice, I had a cast taken of my mouth, in order that I could have a plate made for me to enable me to speak so as to be understood, and am now using it. My eternal thanks are due to you for the perseverance and skill that you displayed in my case; and I have to thank you for my restored health, and even my life, as I was very near bleeding to death several times from the nose. I am now in Sacramento City, enjoying good health, and I shall recommend all my friends to call on you should they be so unfortunate as to require assistance; and I would advise all persons to avoid certain scientific doctors in your city, for they will send them to a land from whence no traveler returns.

With my best wishes for the success of both of you, I remain, yours, etc., S. S. T.
